Submitted with reference to para 7 of the notes.

It is ascertained from the offices of the Municipal Engineer that he keeps only a Car

The Municipal Engineer in his application requested for the sanction of deputation allowance in addition to motor Car allowance but the Municipal Council sanctioned a consolidated allowance of Rs 100/- which is said to include duty, personal and Conveyance allowance. Thus the present proposal submitted to Govt for sanction is for a consolidated allowance of Rs 100/- and not merely a conveyance allowance -

S i r,

I have the honor to request the favour of your kindly arranging for the sanction of deputation allowance to me in addition to the usual Motor-car allowance as per Council Resolution No 3 dated 8-5-1919

It is superfluous for me to dwell on the heavy work and greater responsibility devolving on me as the Municipal Engineer, as you are well aware of the extent and importance of the charge and the urgent nature of all public demands in a progressive City like Bangalore

The limit of deputation allowance permissible under the rules is one-fifth of the salary and it rests with you to recommend me for a reasonable allowance

I have the honor to be,
Sir,
Your most obedient servant,
Sd P Subba Rao
Municipal Engineer
